

Rug Release Form

Disclaimer: In an effort to provide you with the best service possible, we need you to know about the risk involved in the designer rug cleaning process. We send out our rugs to be cleaned by professionals who specialize in cleaning these delicate Tapestries. The process is longer and more expensive, and can damage your rug, even when done by a professional. Because we are not doing it ourselves, we do not assume responsibility for your rug. By signing below, you acknowledge this risk and do not hold MobilePRO Cleaners responsible for any damage caused. The process can take a couple of weeks, but we strive to return your rug to you as soon as we can. Please sign the form below and include it with your rug.

I understand this service requires a \$75 non-refundable deposit prior to service:

- I authorize MobilePro Cleaners to charge my credit card on file
- I have included a Payment Authorization Form and authorize MobilePro Cleaners to charge the credit card provided
- I have enclosed a \$75 check made payable to MobilePro Cleaners
