MISSION OF THE ARTS COUNCIL

The Bradford County Regional Arts Council is a non-profit organization dedicated to building and supporting a thriving regional arts community by:

Advocating for the Arts

Cultivating Quality Arts Programming

Preserving Bradford County's historic theatres as venues for performances, community events and movies.

PROGRAMS

Adult:

Nightlife presents: an evening of live performances (music and comedy) held at the Sayre or Keystone Theatres during the months of September through May.

Thursdays at the Rialto: an eclectic combination of live performances in the concert series, a collection of classic movies in the movie series, and National Theatre Live simulcasts during the months of September through May at our Historic Rialto Theatre in Canton.

London's National Theatre Live: the dominant theatre house presented in our simulcast series...a mix of first class shows performed by well known actors and taped live on the National Theatre stage...a world class performance accessible in the comfort of a hometown theatre without the cost of a ticket to London...these occur monthly at all three theatres

Children

Schooltime: a vibrant series of plays, musicals, operas of childhood favorites which focus on moral dilemmas, decisions, manners and choices. Performances take place at the Keystone and Sayre Theatres.

Missoula: a popular childrens theatrical group that brings real life experience of auditions and performances to rural America...presented in Sayre, Towanda, Troy and Canton.
