The Michigan Corn Growers Association (MCGA) board of directors has established a student scholarship. All members of the MCGA, including students, growers and associates, as well as children of members, between the ages of 17-25 are qualified. Applicants must be enrolled as a full-time student at a post-secondary educational institution during the fall 2018 semester in order to be eligible. **All applications must be received by the Michigan Corn Growers Association office no later than 4:30 p.m. on Friday, February 9, 2018.**

A minimum of two scholarships in the amount of \$1,000 will be awarded. Checks will be mailed in the fall. Students are only eligible to win an MCGA scholarship two times.

The application must include a membership identification number. The MCGA policy states that one membership equals one person. Only one application per membership number will be accepted.

Students in an accredited agricultural program are eligible for a one-year membership in the MCGA for \$20. Grower and associate memberships in the MCGA are \$60 for one-year, \$155 for three-years, or \$500 for a lifetime. Membership in the MCGA automatically enrolls you for membership in the National Corn Growers Association. For more information or if you would like to purchase a membership, please contact the MCGA office at (517) 668-2676 or join on-line at [micorn.org](http://micorn.org).

Applications for the 2018 MCGA scholarship can be obtained from the MCGA office by calling (517) 668-CORN (2676) or online at [www.micorn.org](http://www.micorn.org).
